# Speech-Language Pathologist

## JOB SUMMARY

The Speech/Language Pathologist will assess and treat students with speech, language, voice, and fluency disorders. He/she may select alternative communication systems and teach their use. The SLP will participate in team meetings for the identification of students with disabilities (MDTs) and the development of IEPs. He/she will participate in professional activities and staff development, as assigned and as needed, to maintain professional competence and to perform duties. The SLP will develop and maintain a positive rapport with students and parents; as well as develop and maintain a positive and professional working relationship with other staff and administration.
