# More Learning Happens

Every student deserves a path to success. We specialize in partnering with schools to build that path for all students in grades 6-12.

- **Comprehensive Courses** provide a complete course of study to address the needs of all students, from getting back on track to creating opportunities for advanced coursework.
- **Adaptive Tutorials** offer seamless, personalized instruction, practice, and review to ensure all students reach and exceed grade-level mastery so they pass their classes the first time, excel on high-stakes exams, and are prepared for postsecondary success.

## About Apex Learning

Apex Learning puts rigorous, standard-based curriculum within reach for all students — from those struggling to those ready to accelerate — to prepare them for the next course and the next stage in their education, work, and life. During the 2016–2017 school year, there were more than 3.6 million enrollments in Apex Learning Comprehensive Courses and Adaptive Tutorials. Headquartered in Seattle, Apex Learning is accredited by AdvancEd and its courses are approved for National Collegiate Athletic Association eligibility.

“The dropout rate has been reduced by over 40% and the number of graduates increased by 22% over the years of using Apex.”
